

HOW TO BECOME A SECURITY SUPERHERO

In a world full of technology, criminals lurk behind screens and fake emails, just waiting for their next innocent victim to click a link they're not supposed to. It's up to YOU to fight their evil ways and save us from imminent doom!

HERO IN TRAINING

In 2019, 65% of crimes against businesses like ours weren't caused by Dr. Dark hacking into a computer, but by a hero-in-training simply falling for an email phishing scam. That's why we need YOU to complete your training!

YOUR MISSION

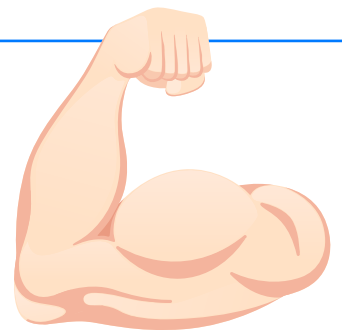

Fighting crime is hard work, but with the proper **training**, you can achieve *anything*. Remember, training is an ongoing process. The bad guys are lurking everywhere; the minute you lose focus is the minute they **attack!**

FOILED AGAIN!

Don't believe that you can make a difference? HA! You have yet to unveil your superpowers within! **ONLY YOU** can foil their devious plans to expose the data of their innocent victims.

A lot goes into building a league of security superheroes. To make it easy, our **Employee Secure Score (ESS)** combines all of those complicated activities into one simple score! Complete your ongoing training activities to increase your score and lead the charge on our leaderboard!
